Episodes #39:

- A Blooming Strength

Scripts:

On the road to Mahogany Town. Ash, Ty and their companions walks to the plain field

Narrator: On their way to Mahogany Town, our heroes take time to grow stronger. With every battle, their bond deepens on their journey.

Jonah: According to the map, Mahogany Town isn't too far from here.

Ash: We should be there by late afternoon if we keep this pace.

Sarah: Sounds good, but I think we could all use a quick break soon.

Avery: Yeah, we've been walking for longer.

Ty: Well if you don't mind, there's an open field up ahead. That should be a good place to stop.
Ty spots a large plain field, the gang chooses to stop for a break

Ash: Then let's stop for a break.

May: Finally! I was starting to get really hungry.

Max: You're always hungry, May.

May: Hey! Traveling takes energy, you know!

Dawn: I agree! Let's relax for a bit before heading out again.

Pikachu: Pikachu.

Teddiursa: Teddiursa.

Lillie: **Smile** Even they agreed with it.

Manaphy: Mana.

Togepi: Togepi.

Max: That goes for them as well.

Sakura: It's a perfect place for them to feel comfortable.
As the group sets their bags down, they set up their camping gear while Ty, Raye and Jonah

Dawn: All set. Now is our break time.

Ty: Well, you guys get some rest, I'll be continuing to training before we leave.

Raye: Yeah, after our last battle, I know I've got a lot to work on.

Jonah: Then let's structure it. Mahogany Town can wait for later.

Lillie: We should eat something then, all of you are getting hungry now.

Sakura: Yeah. We can't leave without the meal.

Ash: Let's make lunch for everyone.

May: Good idea, Ash.

Avery: I'll help you guys.

May: Hey, Ash, don’t mess this up like last time.

Ash: Hey! That only happened once!

Pikachu: Pika Pika.

Manaphy: Mana.

Ty: We should begin by using this training wisely.

Jonah: That should help us to step up.

Raye: I don’t want to fall behind again, but I'll make sure we're trained well, like a battle simulation.

Ty: Sounds good.
During setting up their camping gear, Sarah watches her cousin and his friends to do pokemon training battle

Max: Hey, Sarah, are you training your Pokémon right now?

Sarah: Not yet. I’ll do it later.

Max: But isn’t it important to stay consistent?

Sarah: Relax. I know what I’m doing. I'll watch my cousin’s training in the meantime.

(Pokemon Master Revolution Theme Song Plays:)
I've become the very best
That no one ever was
I've traveled regions and caught some more and now it's time to rest.
Not so fast, here comes some more
And new friends too and they got some things to do
I'll teach them, all the things I've learn about
Pokemon, gotta catch em all, gotta catch em all
I guess it's true and my friends are with me too
It is time for a brand new journey and Pokémon gotta catch em all
Gotta catch em all
Pokémon Master Revolution
Pokémon

Ty (Narrator): A Blooming Strength!
In the clear space at the plain field, Ty, Raye and Jonah are in their training battle

Ty: Let's go, Gyarados!

Gyarados: **Roaring**

Raye: Plusle, dodge it!

Jonah: You too, Squirtle!

Squirtle: Squirtle!

Plusle: Plu!
Gyarados fires a powerful blast toward Plusle and Squirtle, both Pokémon leap aside, narrowly avoiding the attack

Ty: Good move you two! Keep your guard up! Return, Gyarados!
Ty recalls Gyarados to his pokeball, sending out Croconaw

Ty: Croconaw, your turn!

Croconaw: Croc! Croc!

Jonah: All right, Squirtle, Rapid Spin at Plusle, now!

Squirtle: Squirtle, squirtle!

Raye: Plusle dodge and use Quick Attack!

Plusle: Plusle! Plu!

Jonah: Squirtle, sidestep quickly!

Squirtle: Squirtle!
Plusle jumps aside, then rushes forward at high speed, Squirtle quickly shifts direction, avoiding Plusle's Quick Attack

Jonah: Nice work!

Squirtle: Squirtle.

Raye: Alright, Plusle, come back!

Plusle: Plu.
Plusle was recalled back to Raye's pokeball as she sends out Eevee

Raye: Eevee, let's go!

Eevee: Eevee!

Raye: Eevee, use Swift at Croconaw!

Eevee: Vee, vee!

Ty: Croconaw, counter with Water Gun!

Croconaw: Croc! Croc!
Star-shaped projectiles shooting toward Croconaw, but fires a stream of water, colliding with the attack

Raye: Eevee, dodge it!

Eevee:
Eevee leaps away as the Water Gun hits the ground

Ty: Teddiursa, jump in and use Fury Swipes!

Teddiursa: Teddiursa!

Raye: Eevee, move!

Jonah: Squirtle, dodge!

Eevee: Eevee!

Squirtle: Squirtle!
Teddiursa charges at Eevee and Squirtle with rapid claw attacks. Both Pokémon evade the attack from opposite sides

Teddiursa: Ursa…

Plusle: Plu…plu…

Eevee: Vee…Vee.

Squirtle: Squirt…

Croconaw: Croc…
The Pokémon begin to breathe heavily

Jonah: Looks like they're getting tired.

Raye: Yeah, but they did great.

Ty: **Smiles & impressed** That was solid training, everyone. It was timing and coordination improvement.

Raye: Thanks, Ty. I'm starting to get the hang of it.

Jonah: We're making a lot of good progress.

Teddiursa: Teddiursa.

Ty: You made a good concentration, buddy. You're getting better now.

Teddiursa: Teddiursa.

Dawn: Guys! Lunch is ready!

Ty: Alright, let's wrap it up.

Jonah: Yeah, let's stop for today.
The three rejoin the group, smiling and relaxed

Avery: You made it on time! You guys must be starving!

Ty: Yeah, after that training? Definitely. We earned more training.

Ash: **Smile** You guys are getting very serious at this.

Pikachu: Pika Pika.

Raye: We are. Let's dig in, everyone.
The group sits together in the grassy field, enjoying lunch. Pokémon relax nearby as a gentle breeze passes

Lillie: You three did really well out there. That training was impressive. And it shows that you've grown so much already.

Ty: Thanks, Lillie. We're pushing harder than ever. Gyarados almost flooded the whole field.

Jonah: We're getting there. Training is building our confidence step by step.

Max: And that Hydro Pump had a very huge impact.

Togepi: Togepi.

Raye: Yeah, I'm still waiting to save my training for any contest that I want to compete in, but I'll give it a time.

May: You're already doing great! Honestly, it reminded me of contest battles.

Manaphy: Mana.

Dawn: That makes a good memory when we competed.

Raye: I've been thinking about entering my first coordinator competition someday.

Avery: And that goes for me too. I want to see you all against each other.

Sakura: **Gently** It's nice seeing everyone support each other like this.

Ash: **Smiling while eating** You made a good point about your circumstances.

Pikachu: Pika Pika.

Sarah: It feels like a real team you have.

Ty: It's all about training and battle. Nothing can stop us.
Togepi happily holds a berry and walks over to Pikachu, Teddiursa and Manaphy

Togepi: Toge-toge.

Pikachu: Pika!l.

Teddiursa: Teddiursa.

Manaphy: Manaphy.

Ash & his friends: **Chuckles**

Ash: Even the Pokémon are bonding.

May: That's what makes moments like this special.

Ty: We'll keep pushing forward. Mahogany Town is waiting.
**After lunch, the gang were* in the grassy field.

Sakura: That was a good lunch.

Ash: Yeah, and I feel more energy coming up.

Ty: If we had a good lunch for everyone…**Hyped up** I'll be resuming my training!

Ash: Are you doing training again?

Ty: **Smile** Yes. But it's something else.
Ty is doing push-ups with determination, Teddiursa mimicking him beside him

Ty: **Counting steadily**
…28… 29… 30…

Teddiursa: Ursa. Ursa. Ursa.

Raye: That's your new training?

Ty: Definitely…31…32…

Avery: Ty, doesn't that bother you? Training again right after lunch really helps you.

Ty: Not really. I need more energy for my next Gym battle.

Avery: That's some serious dedication. That's on you then.

Dawn: He doesn't slow down easily.

Max: So you're not tired of that?

Ty: Nope. Not at all.

Max: **Smug** Heh. Well, those push-ups look easy.

Raye: Oh? Do you think so?

Max: I'm saying if he's easy enough, I'll have to do him a favor.

Ty: !!
Max suddenly climbs onto Ty's back while he's mid push-up

Ty: **Struggling** Max! What are you doing!?

Max: Let's see how skilled you really are!

Ty: **Strains slightly but keeps going** …31… 32…Max… you're heavy!

Max: **Smug** Try it if you dare, Mr. Pokemon trainer.

Ty: You sure about that…?

Max Go on, Ty. Just say mercy, that's all.

Ty: No way… I'm not backing down.

Max: Heh?
Ty was struggling, pushes himself up, causing Max to lose his balance a little

Ash & his friends: **Amazed**

Pikachu, Teddiursa, Manaphy & Togepi: **Amazed**

Ty: …33… 34…!

Max: Come on! Say "mercy"!

Ty: Never…!
With a burst of effort, Ty pushes himself up harder than before, rising to his feet

Ty: 37…38…

Max: Whoa…ahh…

Ty: …39…40!

Max: Ahh!!
Max loses balance and falls off Ty's back, lying on the ground, dizzy and fainted

Max: *Dazed He’s... so strong...

May: **Facepalms & sighs** Honestly, Max, don’t even bother him like that.

Ash: **Laughing** You kinda asked for that one!

Raye: **Chuckling** Guess Ty proved his strength.

Ty: Told you... I’m not backing down.

Teddiursa: **Cheering** Ursa.

Sarah: Not bad at all, Cousin. That was kind of funny about Max.

Lillie: I hope Max’s okay...

Jonah: He’ll be fine. Just his pride that took the hit.

Max: **Recovering** Ouch...he's definitely strong.

May: Next time, think before you jump into someone’s training.

Max: **Groaning** Yeah, yeah.
Later, after Ty's push-ups, Ash and his friends were about to leave

Avery: All right. That's our training and some good meals. Now we're heading to our destination.

Lillie: Yes. Ty looks very excited about the gym battle at Mahogany Town.

Ty: You bet that I'm more excited. Let's keep up the momentum.

Teddiursa: Teddiursa!

Ash: All right, then, let's press forward then.

Pikachu: Pikachu.

Victor: Going somewhere, losers?

Ash & his friends: Huh?
Suddenly, Victor and Demi appears crossing them

Dawn: Oh great...it's them again.

Sakura: **Sigh** Just what we needed.

Demi: Looks like we caught up just in time.

Sarah: If you’re here to cause trouble, don’t bother with us.

Victor: **Laughs mockingly** Bothering? That’s cute.

Ty: What do you want this time, Victor?

Victor: Relax. I just wanted to see how my rivals are doing right before my destination for my next gym battle.

Demi: Though I can’t say I’m impressed by you guys... especially with her.

Raye: **Firm** Say what you want. I’m still improving.

Demi: Improving? You've got a long way to go.

Ash: Everyone starts somewhere. Don't underestimate her.

Victor: I thought you'd say that, Ashy boy, but no. So, Ty…still riding that victory high?

Ty: I don't look back on victory high. I focus on what's next, and it's my next gym battle.

Victor: **Smirk** Good. Because next time we will have our gym battles, you won't win against me this time.

Ty: We'll see about that right after we complete our goal.

Max: He's right. And he's not giving up on someone like you.

Togepi: Togepi.

Victor: I didn't ask your opinion, kid.
Victor suddenly looks over at Togepi

Victor: And what's that pokemon that you're holding with you?

Max: This is Togepi. My best buddy.

Togepi: Togepi.

Victor: Your best buddy? Did they put you in charge of babysitting now?

Max: I'm not babysitting! I'm watching and protecting Togepi!

Togepi: Toge…!

Victor: **Unimpressed** Yeah… doesn't look like much of a partner to me.

Max: **Frowning**

May: Hey! That's not cool, Victor. Max takes that seriously. It shows how little you understand about real bonds. You don't have to bully Max like that!

Victor: **No remorse** Bullying? Please. I'm just telling it how it is. Bonds don't win battles. Strength does.

Max: **Frowning** You don't know anything…

Ash: You should show some respect, not just bullying them.

Pikachu: Pika Pika.

Victor: Well my Respect is earned for myself.

Avery: Hmph! Yeah, right.
Suddenly, a calm and friendly voice calls out from behind Victor and Demi

???: Hey, Victor! Demi!

Ash & his friends: Hm?
Everyone turns. A girl walks toward them with a gentle smile

Demi: Oh, there you are.

Reese: **Smiling warmly** I got here on time.

Victor: I'm glad you did.

Girl: Hey, you found more trainers here. Are they your friends?

Victor: **Chuckles dryly** No… though I wouldn't call them anything special. Just a bunch of losers.

The group reacts with annoyance

Ty: Why is this always happening?

Reese: Oh I See. That's not very nice.
She turns to the group with a kind expression

Girl: Hi! My name is Reese Ricebrooks. I'm a Pokémon Trainer too.

Ash: **Smiles friendly** Nice to meet you, Reese! I'm Ash! And that's Pikachu, my pokemon's best friend?

Pikachu: Pikachu.

May: I'm May! And this is Manaphy.

Manaphy: Manaphy.

Max: **A bit annoyed & polite** I'm Max. This is Togepi.

Togepi: Togepi.

Dawn: Dawn! It's nice to meet you!

Lillie: Hello, Reese. I'm Lillie.

Sakura: I'm Sakura.

Sarah: Sarah is the name.

Avery: Avery.

Jonah: Jonah.

Raye: I'm Raye.

Ty: And I'm Ty Masterum, and this my buddy, Teddiursa.

Teddiursa: Teddiursa.

Reese: **Pleasantly surprised** Wow, that's quite a group! Are you all traveling together?

Ash: Yeah! We're heading to Mahogany Town right now.

Reese: That sounds exciting! You must have had a lot of amazing battles already.

Raye: We're still learning, but we're getting stronger.

Victor: **Scoffs** Oh, please. They're far from professional trainers.

Reese: Victor… you don't have to put others down like that.

Victor: I'm just being honest.

Reese: There's a difference between honesty and being rude.

Demi: Heh, looks like someone's calling you out.

Victor: **Scoffs & crossing arms** Whatever. Believe what you want.

Reese: Sorry about that. I didn't mean for things to get awkward.

Sakura: It's okay! You seem really nice. Definitely different from them.

Reese: **Laughs softly** Thanks. I just like meeting new trainers and seeing how they grow.

Ty: Then maybe you'd like to see how we battle.
Dawn tilts her head, looking curious but cautious on Reese

Dawn: So, Reese, you're not really like them, right? I mean… you're actually friendly.

Reese: **Smiles reassuringly** Don't worry. I'm not here to make enemies, I just enjoy meeting other trainers.

Dawn: **Relieved** That's good to hear.

Demi: You might want to be careful anyway.

Reese: What do you mean?

Demi: **Glances toward Raye** That one's got a bit of a problem with me.

Raye: …We've had our issues since we first met.

Ty: And we haven't forgotten it either.

Jonah: But we're focused on moving forward.

Demi: Sure you are. But I have an eye on you, Raye.

Raye: **Unimpressed** Hmph.

Demi: That includes you, Max. And don't even ask some questions about me.

Max: **Nervous laugh** Uh… n-no, it's fine…
He glances at Demi, then quickly looks away

Max: I'll just… stay quiet for now.

May: **Sigh**

Ash: It's okay, Max.

Reese: **Kindly** No pressure, Max You can ask me anything later.

Max: …Thanks.
Then, Victor questioned to the gang

Victor: So… what were you all doing before we showed up?

Raye: **Confidently** We were training our Pokémon. Working on improving our skills.

Victor: **Smirk** Training, huh? Let's see if it actually paid off.

Reese: That sounds great. I always like seeing how other trainers grow. Raye, I was wondering…would you be up for a Pokémon battle?

The group reacts with slight surprise

Raye: What?

Reese: I'm only asking if you want to have a battle with me since you trained your Pokémons. I wanna see our skills perform. If you accept or not, it's up to you.

Dawn: Oh! That was quick!

Sarah: Yeah, but is she really accepting it?

Raye: I know I trained my pokemons today, but in the meantime…
Raye steps forward immediately, determined

Raye: I accept.

Reese: **Smile** Cool. Let's have a battle.

May: Raye didn’t even hesitate. She's actually doing it.

Manaphy: Mana.

Ty: It's a friendly match instead of rivals.

Demi: Don't get me wrong, Raye doesn't stand a chance against her.

Victor: I totally agree with you, Demi.

Ty: Will have to see if you're lying.

Ash: Let's head to the open field.

Demi: And I'll be the referee for today.

Raye: Whatever.
The battlefield is set between Reese and Raye standing on opposite sides on the plain field

Victor: This should be entertaining.

Jonah: Just not try to insult Raye during her battle, I don't want her to get distracted.

Victor: Hmph, whatever you say.

Ash: Let’s go, Raye!

Lillie: You can do it!

Pikachu: Pika!

Victor: You might want to watch closely. Reese’s Pokémon are on a different level.

Ty: **Unfazed** I don’t need your advice. I believe in Raye.

Jonah: Same here. She's improved a lot.

Demi: Alright! This will be a three-on-three battle! Both trainers, get ready!
Raye and Reese lock eyes, both focused and ready for battle

Reese: **Smiling calmly** Let’s have a great battle.

Raye: **Determined** You bet, Reese. I won't hold back.
Raye and Reese stand ready as Demi signals the start

Demi: Begin!

Raye: All right, Eevee, I choose you!

Eevee: Eevee!

Reese: Now it's my turn! Let's go, Chikorita!

Chikorita: Chiko!

Sakura: Oh! Chikorita!

Ty: That's Chikorita?

Ash: Yes.
Ty checks on Chikorita with his pokedex

Pokedex (Voice): *"Chikorita, a Leaf Pokémon. It waves its Leaf around to keep foes at bay. However, a sweet fragrance also wafts from the leaf, creating a friendly atmosphere that becalms the battlers."*

Reese: All right, Chikorita, use Razor Leaf!

Chikorita: Chiko! Chiko!

Raye: Eevee, dodge it!

Eevee:
Leaves shoot rapidly toward Eevee, which swiftly leaps aside, avoiding the attack

Raye: Now, Quick Attack!

Eevee: Eevee! Vee, vee, vee, vee!

Chikorita: **Being hit**
Eevee dashes forward at high speed, striking Chikorita

Chikorita: Chiko!

Avery: That was a great move.

Lillie: She trained hard today.

Raye: Keep it up, Eevee, use Swift!

Eevee: Eevee!

Reese: Chikorita, dodge!

Chikorita: Chiko!
Star-shaped projectiles fly toward Chikorita, gracefully sidesteps, avoiding the attack completely

Reese: Now counter with Razor Leaf!

Chikorita: Chiko!

Eevee: **Being hit**
Another wave of sharp leaves flies toward Eevee.

Raye: Eevee, stay focused!

Eevee: Vee, vee!
Eevee continues moving, trying to keep up with the pace

May: **Observing** Chikorita's timing is precise, it's not wasting any movement.

Ash: **Nods** Yeah, it's using speed and positioning to avoid attacks completely.

Jonah: **Calmy** Reese is controlling the flow of the battle.

Ty: Hmm...*(Raye needs to adapt—fast.)*

Raye: Eevee, use Swift again!

Eevee: Eevee!

Reese: Chikorita, avoid the attack now!

Chikorita: Chiko!
Eevee launches another wave of Swift attacks, Chikorita quickly shifts position, avoiding the attack once more

Raye: Ngh!

Reese: Now, use Razor Leaf!

Chikorita: Chiko!

Eevee: **Being hit**
The attack hits Eevee directly this time

Demi: **Amazed**

Victor: **Impressed** That's the way you do it!

Dawn: Oh no!

Max: Eevee couldn't dodge that one!

Raye: **Concerned but focused** Eevee, are you okay?!

Eevee: Eevee!
Eevee stand up, continuing to battle

Reese: You're doing great, Chikorita. Keep the pressure on.

Chikorita: Chiko.

Sarah: She's reading every move...

Sakura: Yeah, Chikorita's not just fast—it's reacting before the attacks even land.

Ty: Reese is staying completely focused.

Lillie: Raye needs to break that rhythm.
Eevee stands, slightly weakened but determined. Chikorita remains calm and ready

Raye: Eevee, keep going! I know you can still battle!

Eevee: Eevee!

Reese: **Smiles gently** You don’t need to worry, your Eevee doesn’t give up easily.

Raye: **Confident** Neither do I. Eevee, use Swift!

Eevee: Vee! Vee!

Reese: Chikorita, dodge now!

Chikorita: Chiko! Chiko!
Eevee launches another wave of star-shaped attacks, but Chikorita swiftly moves aside, avoiding the attack once again

Eevee: Vee!?

Raye: Oh no!

Reese: Now, use Magical Leaf!

Chikorita: Chiko! Chiko!

Raye: Eevee, watch out!

Eevee: **Shocked** Vee!? **Being hit**
Glowing leaves spiral toward Eevee with perfect accuracy. The attack hits directly

Raye: **Shocked** Eevee!

Ash & his friends: **Shocked**

Pikachu, Teddiursa, Manaphy & Togepi: **Shocked**

Eevee: **Fainted** Vee...
Eevee falls to the ground, unable to continue

Demi: Eevee is unable to battle! Chikorita wins!

Reese: **Amazed** Yeah, great battle, Chikorita!

Chikorita: Chiko.

Victor: **Smirk** Not surprising.

Ty: Raye...

Avery: That was a shocking move, what was that?

Ash: It's Razor Leaf. Which is dealing a critical hit.

Avery: Ohhh...

Raye: **Takes a breath** You did great, Eevee. Come back.
She recalls Eevee gently. Then, she prepares to send Plusle to battle

Raye: Your Chikorita was awesome, I don't blame you for that.

Reese: Thanks, Raye. Your Eevee did excellent too.

Demi: So Raye, you're sending out your next pokemon, or you're just standing there?

Raye: Don't even ask. Alright, Plusle, let’s go!

Plusle: Plusle!

Reese: **Eyes lighting up** Oh! A Plusle!

Dawn: That’s a great choice for Plusle.

Jonah: Let’s see how this plays out.

Raye: **Quietly & thinking** This time… I’ll change things up.

Demi: Battle resumes!
Before they can battle, Reese recalls Chikorita back

Reese: Hold for second. Return, Chikorita.

Chikorita: Chiko.

Sarah: Huh? What happened?

Ash: She switched to another Pokémon.

Reese: Take a rest, Chikorita. Now to send my next pokemon. Sunflora, you’re up!

Sunflora: Sunflora, flora.
Sunflora appears, spinning slightly with a cheerful but focused expression

Max: Look, it's a Sunflora.

Avery: **Surprised** Sunflora?!
Avery quickly checks the Pokédex on Sunflora

Pokedex (Voice): *“Sunflora, the Sun Pokémon. Sunflora converts solar energy into nutrition. They are highly active in the warm daytime but suddenly stop moving as soon as the sun sets.”*

Avery:
So it’s more about stamina and power?

Ty: And probably less predictable than Chikorita.

Victor: **Smug** Now this is where it gets interesting.

Raye: Alright, Plusle… let’s give it everything we’ve got!

Plusle: Plusle!

Reese: Let’s have some fun, Sunflora.

Sunflora: Flora.

Reese: Let’s begin, use Bullet Seed!

Sunflora: Sunflora!

Raye: Let's go, Plusle! Dodge the attack!

Plusle: Plu!

Sunflora fires a rapid stream of glowing seeds toward Plusle, right it swiftly jumps side to side, narrowly avoiding the incoming seeds

Raye: Now, use Thunder Wave!

Plusle: Plusle!

Reese: Sunflora, lean back!

Sunflora: Flora!
Electric waves spread toward Sunflora, but bends its body backward, just barely avoiding the electric attack

Reese: Now, use Energy Ball!

Sunflora: Flora!

Plusle: **Being hit**
A glowing green orb forms and launches at Plusle with a direct hit. The attack hits nearby, pushing Plusle back slightly

Raye: Plusle!

Ash & his friends: **Surprised**

Dawn: Plusle took that hit!

May: Sunflora's skills are fast to avoid the attack quickly.

Raye: Hang in there, Plusle!

Plusle: Plusle.
Plusle struggles but stays on its feet

Lillie: **Observing closely** Reese is really strategic, she uses her attacks with momentum and adapts quickly.

Ty: She’s controlling both offense and defense. Raye need to find an opening.
The battle resumed with Raye against Reese's tactics moves

Reese: Your doing good, Sunflora. Use Energy Ball!

Sunflora: Flora!

Raye: Don't give up, Plusle! Dodge now!

Plusle: Plusle!
Another Energy Ball launches forward. Plusle leaps to the side, narrowly avoiding the attack

Raye: Now’s your chance, use Quick Attack!

Plusle: Plusle!

Sunflora: **Being hit**
Plusle dashes forward at high speed, striking Sunflora directly

Ty: Good counter, Raye!

Teddiursa: Teddiursa!

Victor: **Huffs & slightly annoyed** Hmph... not bad.

Demi: Looks like it’s getting interesting.

Reese: Good move, Raye.

Raye: Thanks, but we’re not done yet.
Plusle and Sunflora face off, tension building as the battle enters a critical phase

Raye: Alright, Plusle, let’s finish this! Use Spark!

Plusle: Plusle!

Reese: Sunflora, dodge quickly!

Sunflora: Flora!
Plusle releases a surge of electricity toward Sunflora, who swiftly sidesteps, avoiding the attack with a graceful movement

Reese: And now for my favorite part. Use Mega Drain!

Sunflora: Sunflora!

Plusle: Plu?
Sunflora’s leaves glow as it strikes Plusle, siphoning its energy

Raye: What? Plusle!
Plusle stumbles backward, visibly weakened

Avery: What's going on?

Lillie: It's Mega Drain. It's sapping Plusle’s energy.

Sarah: That’s clever, she’s combining evasion with energy recovery.

Plusle: **Exhausted** Plu...

Raye: Come on, Plusle, move!

Reese: Sunflora, finish it with Bullet Seed!

Sunflora: Flora!

Plusle: **Being hit**
Glowing seeds fly rapidly toward the exhausted Plusle, hitting by multiple seeds, stumbling into the ground

Plusle: **Fainted** Plusle...

Raye: Plusle, no!

Demi: Plusle is unable to battle! Sunflora wins!

Victor: Yes ! Now that's why I love this battle!

Ty: **Unimpressed** Heh, you bet you like it.

May: Raye is losing concentration since Reese's pokemon is more focused.

Sakura: She only has one left with her.
Raye, feeling concerned, she recalls Plusle, taking a deep breath

Raye: You did amazing.....I... I can’t give up now.

Ash: You've still got this, Raye!

Max: Yeah! Don’t let it lose your battle!

Raye: *Nod & determined* Right...
She pulls her last pokeball to send, Psyduck

Raye: Psyduck, you’re up. Let’s turn this around! Go, Psyduck!

Psyduck: Psyduck!

Dawn: Psyduck can still win this battle, no matter what.

Jonah: She’s still got a chance. I know she can do this.

Reese: *Smiling* That's a nice pokemon you got there.

Raye: *Smiling* Yes he is. I think he'll be happy to battle.

Demi: You two ready?

Raye & Reese: *Nodded*

Victor: *Scoffs & arms crossed* That Psyduck doesn’t even look ready. He'll just stand there and do nothing.

Ash: Don’t even underestimate it. Psyduck’s will be focused.

Victor: Heh!

Demi: Begin now!

Reese: All right, Sunflora, use Mega Drain!

Sunflora: Sunflora!

Raye: Stay sharp, Psyduck! Avoid the attack now!

Psyduck: Psyduck!
Sunflora’s leaves glow as it rushes toward Psyduck. Eventually, Psyduck quickly sidesteps, avoiding the attack

Reese: What?

Sunflora: Flora?

Raye: Now, use Psychic!

Psyduck: Psyduck!

Sunflora: *Being hit*
A psychic wave erupts from Psyduck, hitting Sunflora directly

Pikachu: Pika-pika!

Teddiursa: Teddiursa!

Manaphy: Manaphy!

Togepi: Togepi!

Pikachu and his buddies were cheering on Psyduck, while Sunflora reels from the attack

Reese: Let's go, Sunflora! Bullet Seed!

Raye: Psyduck, Psywave now!

Psyduck: Psyduck! Psyduck!

Reese: It hits the attack!?

Sunflora: Flora!? **Being hit**
Seeds fly rapidly toward Psyduck, but releases a psychic wave, colliding with the incoming Bullet Seed. Sunflora is hit directly, staggering and fainting

Sunflora: **Fainted** Flora...

Demi: Sunflora is unable to battle! Psyduck wins!

Max: She did it!

Ty: Yes! That's how you do it, Raye!

Dawn: Way to go!
Reese recalls Sunflora back to her pokeball

Reese: Good job, Sunflora...
She then pulls her next pokemon to battle

Reese: All right. Time to win this battle! Floatzel, it's your turn!

Floatzel: **Slightly raspy**
Floatzel splashes onto the battlefield, agile and ready

Ash: It's a Floatzel!

Pikachu: Pika Pika.

Jonah: Two water-types? Wow. That's going to be a tough match.

Dawn: Yeah, the outcome might really depend on strategy and type matchups.

Ty: Raye's still got a chance if she plans carefully.

Demi: Battle resume!

Raye: **Determined** Let's show them what we can do.

Raye: Here we go, Psyduck! Psywave, now!

Psyduck: Psyduck!

Reese: Dodge it now, Floatzel!

Floatzel: **Slightly raspy** !
Floatzel leaps to the side, easily avoiding Psyduck's psychic wave

Reese: Now, use Pursuit!

Floatzel: **Slightly raspy** !

Psyduck: **Being hit**
Floatzel darts forward at high speed, striking Psyduck directly, landing as a critical hit. Psyduck reels back, visibly weakened

Demi: That's a critical hit! Psyduck is badly hurt!

Victor: **Smug & arms crossed** See? That's why I said, Reese's Pokémon are more focused than Raye's. She's got complete control of the battle.

Ty: **Frowning** I don't agree with you. Raye's just as focused as she's learning and adapting.

Jonah: He's right. It's still anyone's battle.

Raye: **Steady & determined** Psyduck, recover and strike back!

Psyduck: Psyduck…
Psyduck shakes off the hit, ready to counter

Lillie: Reese is really analyzing every move, keeping her Pokémon in control.

Sakura: And Raye's trying to find an opening despite the pressure.
The battle continues between Psyduck and Floatzel

Reese: Floatzel, use Pursuit!

Floatzel: **Slightly raspy** !

Raye: Psyduck, dodge and strike with Psychic!

Psyduck: Psyduck! Psyduck!

Floatzel: **Being hit**
Psyduck releases a psychic wave, narrowly avoiding Floatzel's Pursuit, hitting it in process

Reese: Hang on, Floatzel! Counter with Sonic Boom!

Floatzel: **Slightly raspy**
Floatzel launches sound waves toward Psyduck

Raye: Dodge it, Psyduck, and use Psywave!

Psyduck: Psyduck!
Psyduck rushes forward, sending a psychic wave toward Floatzel

Reese: Floatzel, dodge now!

Floatzel: **Slightly raspy**

Psyduck: Psy?

Raye: Ergh!

Reese: Now, use Low Kick!

Floatzel: **Slightly raspy**

Psyduck: **Being hit**

Raye: Psyduck!

Ash & his friends: **Surprised**

Pikachu, Teddiursa, Manaphy & Togepi: **Surprised**

Victor: **Smile** Heh.
Floatzel sidesteps Psywave and lands a strong Low Kick on Psyduck, struggling to stay standing, wobbling on the spot

Raye: Psyduck, stand up! You can do this!

Psyduck: Psyduck...
Psyduck tries, but its legs fail to hold it

Ty: Oh no!

Ash: Psyduck is struggling to stand up!

Reese: Let's finish it! Aqua Jet, now!

Floatzel: **Slightly raspy**

Psyduck: **Being hit**

Raye: Psyduck!

Ash & his friends: **Shocked**

Pikachu, Teddiursa, Manaphy & Togepi: **Shocked**

Victor: **Amazed**
Floatzel speeds forward in a powerful Aqua Jet, striking Psyduck directly, knocked to the ground, fainted

Psyduck: **Fainted** Psyduck...

Raye: **Shocked**

Demi: Psyduck is unable to battle! Floatzel wins! The winner of this battle goes to Reese!

Reese: **Happy** All right! Great work, Floatzel.

Floatzel: **Happy & slightly raspy**
Raye, shocking of what she saw, this marks her first defeat of the battle

Raye: I... I lost...

Sarah: Ohhh, poor Raye.

Lillie: She lost her first battle.

Max: She did everything she could to win, but failed.

Raye: **Worried**
Raye was comforting Psyduck, the gang approached to her while Victor and Demi celebrated Reese's victory

Avery: Are you all right, Raye?

Sakura: We're very sorry that you lost.

Raye: **Disappointed** I...I don't know how to explain it.

Ash: It's okay. You don't have to.

Ty: Yeah, Raye. You did what you could. But that was a good you made despite you lost today.

Teddiursa: Teddiursa.

Raye: **Sad expression** ...

Victor: **Laughs lightly** Now that's what I call a proper battle. Nice work, Reese.

Demi: **Smiling** Yeah, that was impressive. You were awesome.

Reese: I made a great skills today in battle.
Reese looks at Raye, clearly saddened but composed

Raye: **Softly** Well...this is my first loss....I guess... I still have a long way to go.
Ash and the others watch her with concern but give her space, Reese walks up gently, smiling and comforting her

Reese: Hey... don't be too hard on yourself.

Raye: Huh?

Reese: You showed real determination out there. Your Pokémon trusted you, and you didn't give up once.

Raye: ...You really think so?

Reese: Absolutely. That's what makes a strong trainer. Not just winning, but pushing forward no matter what. That means you still have to train your pokemons, you'll be more stronger for next time.

Raye: **Smiling a bit** Well, I guess...
Raye's expression softens slightly just as Victor scoffs

Victor: Heh. Sounds like you're going easy on her. A loss is still a loss.

Ty: **Annoyed** Don't even start with her.

Reese: Come on, Victor. That's enough.

Victor: Hm?

Reese: Showing respect is a matter, more than arrogance. She gave it her all, that's what counts.

Victor: **Slightly annoyed** Yeah, yeah... whatever you say.

Demi: Guess you got told. So, Raye. Are you happy that you lost?

Raye: I don't want to hear it from you, Demi.

Demi: Heh. Whatever.

Reese: **Smiling softly** Thanks for the battle. I really enjoyed it. What do you say if we have a rematch next time?

Raye: Sure. The next time we meet again... I'll be ready.

Reese: I'm looking forward to it.

Victor: Are you done now? We should move to my next gym battle, away from those losers.

Reese: **Unimpressed** ...

Reese steps back toward Victor and Demi

Reese: It was nice meeting all of you.

Ash: Yeah! Same here! Take care Reese.

May: Safw travel.

Manaphy: Mana.

Pikachu: Pika Pika.
Victor, Demi, and Reese walk off down the path. Raye watches them go, then looks at her Poké Ball

Raye: **Still saddened**

Ty: Cheer up, Raye. We know how you feel. You'll do better next time.

Raye: I am…but I didn't win.

Sarah: Maybe traveling to Mahogany Town will cheer you up.

Ty: Actually, Sarah…we should stay here to camp for tonight. This should wait for tomorrow.

Ash: I was thinking about that, but sure.

Sakura: Then, let's camp here.

Raye: Umm…sure.
The gang all agreed to stay for camping tonight. During night, while the gang are having a meal, Raye was watching her pokemons sleeping and recovering in the tent after the battle

Eevee, Psyduck & Plusle: **Sleeping**

Raye: **Smiling gently** You all did your best today… I'm really proud of you.
Her expression turns more determined

Raye: But we can get stronger. Together…I promise that I'll continue training you all, and win next time.

Eevee, Psyduck & Plusle: **Sleeping**
Raye was smiling at her pokemons, promising her goal to train them. She returns with her friends outside, gathering for a snacks

Avery: Hey Raye. Glad you can join us.

Sarah: Yeah, we've figured you'd be out here.

Raye: Sorry for taking so long. I was just checking my pokemons. They're in good condition.

Ty: That's the kind of news I like to hear.

Teddiursa: Teddiursa.

Raye: **Smile** Oh you guys.

Dawn: You don't have to go through this alone. And we're sorry that you lost today.

Raye: It's all right. But I had a friendly battle with Reese. She was nice by the way.

Ash: She totally is.

Jonah: You did amazing, Raye. You gave it everything. That’s what counts. You improved a lot today. It’s just part of learning.

Ash: **Smiling** Exactly! Battles aren’t just about winning, they’re about growing stronger.

Pikachu: Pikachu.

Raye: You got the good point, Ash. But, I still have to learn more…even if I'll be strong enough.

May: You’ll come back even stronger next time.

Lillie: And look at how well you Pokémons did!

Max: Yeah! Your pokemons gave it all they've got.

Sakura: Your determination didn’t waver. That counts for a lot.

Avery: Even though Reese’s strategy was impressive, you'll get her next time.

Raye: I will. Though, my pokemon has more to learn during our adventure.

Ty: Raye.

Raye: Hm?

Ty: You’ve already gotten stronger. This is only just the beginning, and we're making a lot of progress here. Losses help you grow, and use it the right way.

May: And your bond with your Pokémon, It's really beautiful.

Manaphy: Mana.

Ash: **Smile** Just don't slow down now, you'll be ready to improve more in no time. And we're here for you.

Pikachu: Pika Pika.
Raye, listening the advice of her friends, she's determined to her goal

Raye: **Smile** Thank you… all of you….**Determined** And we're not done yet. I'll keep on going!

Ash & his friends: **Smile**
The group gathers together under the stars, the fire crackling softly

Narrator: Raye turns her first defeat into a new beginning. With her bond growing stronger alongside her Pokémon and the support of her friends, her journey is far from over. The heroes are determined for their goal on their adventure together.

To be continued...

(Pokemon Master Revolution Theme Song Plays. Outro:)
I've become the very best
That no one ever was
I've traveled regions and caught some more and now it's time to rest.
Not so fast, here comes some more
And new friends too and they got some things to do
I'll teach them, all the things I've learn about
Pokemon, gotta catch em all, gotta catch em all
I guess it's true and my friends are with me too
It is time for a brand new journey and Pokémon gotta catch em all

Gotta catch em all
